

Top Currency Forecasters for Q1 2021

Bloomberg Ranks Tempus #1 MXN Forecaster for Last Two Quarters

Tempus is proud to be named the **top currency forecaster for the Mexican peso** for two consecutive quarters in the Bloomberg FX Forecast Accuracy Rankings for Q1 2021. Additionally, Tempus ranked **third for the Canadian dollar** and **sixth for the Euro**. Tempus earned these distinctions above nearly 50 other distinguished global financial institutions, including some of the largest banks in the world.

“We aim to be as consistent as possible and glad these rankings, as well as our previous ones, reflect it. The buck has strengthened more than most thought possible, but we bet on America and it has paid off,” explains Juan Perez, Senior FX Trader & Strategist for Tempus.

For over 20 years, Tempus has helped guide thousands of organizations, across virtually all industry sectors, through volatile market conditions. This accolade reaffirms our efforts to deliver the best possible tailored currency and payment solutions to mitigate FX risk.
