### Tempus, NOVAFX Announce Referring Partnership on Global B2B Payments – Supporting US Market Entry

WASHINGTON, DC – October 20, 2021 – [NOVAFX](#) names [Tempus](#) to be its US partner to process corporate FX and international payments in a new referring partnership. Clients referred by NOVAFX will process their transactions through a co-branded version of [Tempus Online](#), a web-based FX and payments platform.

NOVAFX Founder [Shan Madavan](#) noted, “We are excited to enter the US market and know Tempus’ industry-leading online FX and international payments platform will provide the critical foundation for our success in the United States.” Madavan added, “Expanding to the United States was a logical next step for us, and we’re confident NOVAFX clients will value the multiple features, ease-of-use, and robust security of Tempus Online.”

Tempus Chief Strategy Officer [Andrew Woelflein](#) commented, “Tempus is pleased to provide our robust FX and international payments platform to enable NOVAFX to seamlessly expand from Canada to the United States. We look forward to supporting them in the US market.”

Tempus Online, launched in 2008, provides spot, forward, market orders, beneficiary management, and reporting capabilities.
