Tempus Again Named Among Top Currency Forecasters in Bloomberg's Q3 2021 Rankings

WASHINGTON, DC – October 5, 2021 –Tempus is proud to be named the [top currency forecaster](#) for a **fourth consecutive quarter** for the **Mexican peso** (MXN) in the Bloomberg FX Forecast Accuracy Rankings for Q3 2021. Additionally, Tempus earned 1st place for the **New Zealand dollar** (NZD) and 4th place for **G10 currencies**. Tempus achieved these distinctions above nearly 50 other distinguished global financial institutions, including some of the world's largest banks.

A notable performance in their accuracy, Tempus has maintained the top forecasting honor for USD/MXN despite it moving 11% over the past four quarters.

"We aim to provide accurate estimates and are elated to consistently achieve high Bloomberg rankings, particularly our streak for Mexican Peso at #1, amidst a very convoluted world," explains [Juan Perez](#), Senior FX Trader & Strategist for Tempus. "As we navigate through the market madness, providing reliable guidance for our clients is imperative, and we are honored to be considered among the best in predicting this wild ride."

For over two decades, Tempus has provided simplified, market-leading foreign exchange (FX) payments and risk management solutions for thousands of clients and corporate partners. This Bloomberg accolade reaffirms ongoing efforts to deliver top FX expertise from their dedicated account managers, an award-winning trading team, and leading digital tools like their online payments platform, [Tempus Online](#), and tailored [API solutions](#).

Tempus consistently earns top 10 recognition in Bloomberg's quarterly rankings for overall G10 currencies and individual currencies like this current acknowledgment.
