

Bloomberg Ranks Monex USA #1 Overall Currency Forecaster AGAIN!

Monex USA (formerly Tempus) is proud to be named the top currency forecaster for the G10 currencies in the Bloomberg FX Forecast Accuracy Rankings for Q4 2021. Notably, this is the sixth time Monex USA has earned the distinction of top overall forecaster for the G10 Currencies.

Additionally, Monex USA earned 1st place for the New Zealand dollar (NZD), 2nd place for the Swiss Franc (CHF), 4th place for both the Mexican Peso (MXN) and Australian Dollar (AUD), and 5th place for the British Pound (GBP). Monex USA achieved these distinctions above nearly 47 other distinguished global financial institutions, including some of the world's largest banks.

"We are honored once again to earn #1 amongst more than 47 participating banks worldwide," says JP Carriedo, CEO for Monex USA. "This distinguished accolade for Monex USA reaffirms the FX expertise clients can continue to expect as we unify our global presence under our parent company's name, Monex, later this month."

For over two decades, Monex USA has helped guide thousands of organizations, across nearly all industry sectors, through volatile market conditions with our award winning teams and digital payment solutions.
