**Monex USA and Serrala  
Enter Strategic Partnership in North America**

*Monex USA and Serrala partner to introduce the first fully automated SAP embedded B2B payments solution with an easy low-lift integration, resulting in time and FX cost savings for clients.*

**WASHINGTON, DC, and CHICAGO, IL – June 22, 2023** – Monex USA, a leading provider of commercial foreign exchanges (FX) in North America, and Serrala, a global financial automation and B2B payments software company, is pleased to announce their partnership geared toward delivering added value to their customers.

“Monex USA is pleased to provide our robust cross-border payments capabilities to Serrala as they broaden their SAP embedded payments solutions in North America,” says Mike Valadakis, VP of Digital Markets and Partnerships with Monex USA. “Through this strategic partnership, we will be able to offer a low lift automated payment process that leverages the integration of the digital and innovative solutions that both companies have developed to deliver value to their clients. We look forward to this mutually beneficial partnership with Serrala.”

Across the globe, Monex helps more than 70,000 clients from a broad range of industries successfully navigate the volatile currency markets leveraging a combined annual FX volume of over \$277 billion. With nearly four decades of experience, Monex is one of the world's largest commercial foreign exchange providers.

“For Serrala, the partnership is an important milestone in boosting our global partner network by offering a broader range of end-to-end finance and treasury automation solutions to clients,” says Joyce Carpenter, Partner & Alliance Manager, North America, at Serrala. “Our partnership with Monex USA will help Finance and Treasury teams considerably improve their business performance, reduce FX risk, and expand on a fully digitized and intelligently automated payment solution.”
