Monex USA, BravoTran Announce Referring Partnership on B2B Payments

WASHINGTON, DC – June 9, 2023 – [BravoTran](#) names [Monex USA](#) to be its North American partner to process corporate FX and domestic and international payments in a new referring partnership. Clients referred by BravoTran will submit their transactions to Monex through an Application Program Interface (API) connection between the two companies.

BravoTran CEO Matt Bernstein said, “Our partnership with Monex enables freight forwarders to complete the full invoice to payment cycle in one seamless experience.” He added, “With BravoTran’s end-to-end payables automation, freight forwarders gain control and take out cost.”

Monex USA’s Chief Strategy Officer Andrew Woelflein commented, “Monex USA is excited to provide our robust FX and payments platform to BravoTran thru API as they continue to transform the freight forwarding industry. We look forward to working with this industry innovator.”

"Monex is pleased to provide API access to our platform and enable BravoTran to elevate the current offering for their corporate clients," added Mike Valadakos, VP of Partnerships & Digital Markets with Monex USA.

Monex provides spot, forward, market orders, beneficiary management, and reporting capabilities. Users can access and optimize all their payments with competitive foreign exchange (FX) rates anytime, anywhere along with FX market insights from Monex USA’s top-ranked currency forecasting team by Bloomberg and Reuters.
