Kountable & Monex USA, Announce Referring Partnership on Global B2B Payments

WASHINGTON, DC –November 20, 2023 – Kountable is pleased to announce a new referring partnership with Monex USA, a trusted and leading provider of corporate FX, currency risk hedging services, and international payments. Clients referred by Kountable will be able to initiate their transactions through a co-branded version of Monex USA Online, a web-based FX and payments platform integrated with Kountable’s platform KLEAR.

"We are excited to announce a partnership between Monex USA and Kountable. Through our strategic partnership, Klear platform users will ease their FX payments via Monex USA services. This strategic partnership will facilitate global trade since payments are a critical piece of the global supply chain. Kountable and Monex USA are perfect examples of strategic embedded solutions with the goal of helping end-users operate efficiently." - Emmanuel Serrano, Director of Partnerships Monex USA

"Effective currency management can be a game changer for any company doing business globally and we're pleased to be working with Monex to bring these tools to KLEAR platform users. The growing companies we work with need better options to manage the risk and complexity inherent in multi-currency transactions. With this partnership, we can now deliver access to currency management solutions in a way that takes advantage of synergies between what Monex has built and the strengths of the KLEAR platform." - Chris Hale, CEO Kountable
