Top Currency Forecaster Rankings for Q4 2023

Monex USA Earns Bloomberg's #1 GBP Forecaster and #2 Overall Ranking for G10

Monex USA is proud to once again be named the top currency forecaster for the British Pound (GBP) and to have secured second place for the overall G10 currencies in the Bloomberg FX Forecast Accuracy Rankings for Q4 2023.

Additionally. Monex USA earned a #1 forecaster ranking for EUR/GBP, #2 for EUR/USD, and #7 for NZD/USD. Notably, the Monex USA team achieved this distinction amongst nearly 49 global financial institutions, including some of the world's largest banks. Q4 2023 FX forecasters were ranked on three criteria: margin of error, timing, and directional accuracy.

"As global volatility continues to rock markets, we pride ourselves on being a consistently accurate resource for our clients and partners when it comes to navigating the FX market," says Helen Given, FX Trader with Monex USA. "We're thrilled to once again have our excellence in forecasting recognized by our second-place finish among all G10 forecasters, particularly in our first-place forecast for Pound Sterling."

For over two decades, Monex USA has helped guide thousands of organizations, across nearly all industry sectors, through volatile market conditions with our award-winning teams and digital payment solutions.
