MONEX

Top Currency Forecaster Rankings for Q3 2024

Monex USA Earns Bloomberg's #2 Overall Ranking for G10 and 13-Majors

Monex USA is proud to be recognized once again as a leading currency forecaster, achieving the #2 spot for the overall G10 and major 13 currencies in the Bloomberg FX Forecast Accuracy Rankings for Q3 2024.

Additionally, Monex USA earned the #3 forecaster ranking for GBP/USD and #6 for EUR/USD. This accomplishment stands out among nearly 49 global financial institutions, including some of the largest banks in the world. The rankings for Q3 2024 FX forecasters were determined based on three key criteria: margin of error, timing, and directional accuracy.

"In a year that has thrown a lot at markets, we have been able to help our clients navigate and thrive. Our narrative and perspective match the numbers consistently; thus, this #2 overall ranking for Q3 makes us confident about our outlook. We aim to demonstrate value in knowledge while our clients and everyone we work with continue to roll with the punches that come with volatility." - Juan Perez, Senior FX Trader and Strategist with Monex USA

For over two decades, Monex USA has helped guide thousands of organizations, across nearly all industry sectors, through volatile market conditions with our award-winning teams and digital payment solutions.
