Monex USA and S4 Solutions announce strategic partnership on Global payments.

WASHINGTON, DC – January 30, 2025 – S4 Solutions is excited to announce a new referral partnership with Monex USA, a leading provider of corporate FX, international payments, and currency risk hedging services. This collaboration through an IPA solution will enable clients using S4 Solutions' OMNIPay product with a Monex USA account to leverage its robust FX and payments platform.

"Our partnership with Monex exemplifies S4 Solutions' commitment to expand seamless, embedded real-time cross-border payment solutions to clients. Together, we empower businesses and corporations to transcend borders, integrate effortlessly with SAP, and unlock unparalleled efficiency, savings, and global reach." - Raj Kattelu, Director at OMNIPay

"The partnership with S4 Solutions Americas marks a significant step forward for Monex, showcasing our dedication to delivering innovative, market-leading solutions within the SAP ecosystem. By integrating Monex's real-time cross-border payment capabilities into S4's OmniPay product, we're advancing our shared mission to simplify and streamline the execution, tracking, and recording of payments within SAP." - Mike Valadakis, Head of Partnerships at Monex USA

###

About S4 Solution & OMNIPay | [S4 Solution](#) | S4 Solutions Americas Inc. is a specialized SAP consulting firm delivering cutting-edge solutions tailored to mid-market and large enterprises. With a core focus on SAP implementation projects, Application Management Support (AMS), and innovative software development, S4 Solutions empowers businesses to unlock the full potential of SAP technologies. Leveraging decades of expertise in global SAP rollouts and system optimizations, S4S is uniquely positioned to deliver transformative results that improve business processes, enhance efficiency, and drive digital transformation.

S4 Solutions is also pioneering in the fintech space, seamlessly integrating SAP with financial technologies to address critical challenges in cross-border payments, real-time payment processing, and financial system automation. With its focus on SAP S/4HANA and SAP ECC ecosystems, S4 Solutions is helping enterprises future-proof their financial operations and accelerate growth.

OMNIPay, the flagship product of S4 Solutions, is redefining the intersection of fintech and SAP. Designed specifically for SAP customers, OMNIPay provides seamless payment solutions and real-time financial transaction capabilities. By integrating directly with SAP ECC and SAP S/4HANA systems, OMNIPay simplifies and automates complex financial workflows, enabling businesses to optimize cash flow management, reduce operational costs, and improve payment efficiency.
