

Monex USA Earns Bloomberg's #4 Overall Ranking for G10 Currencies

Monex USA is proud to be recognized once again as a leading currency forecaster in the Bloomberg FX Forecast Accuracy Rankings for Q3 2025, achieving the #1 spot for USD/CAD, #2 spot for USD/JPY, #5 spot for USD/AUD, and #4 overall for G10 currencies.

These accomplishments stand out amongst 49 financial institutions, including some of the largest banks in the world. The rankings for Q3 2025 forecasters were determined based on three key criteria: margin of error, timing, and directional accuracy.

"This year has been challenging when it comes to envisioning what is ahead so we are elated to be considered amongst the most accurate FX forecasters per Bloomberg. It is important for our clients to know that we keep an ever-closer eye on all things that affect their payments. In a world where the headlines are piling we are able to assist in navigating changes and alleviate uncertainty." – Juan Perez, Director of Trading at Monex USA

For more than 25 years, Monex USA has supported thousands of organizations across various industries, navigating volatile markets with our expert teams and innovative digital payment solutions. Ready to streamline your payments? Contact us today!
