**Monex USA and NEACH Payments Group Announce Referring Partnership on Global B2B Payments**

**WASHINGTON, DC - December 16, 2025** – NEACH Payments Group is pleased to announce its recent partnership with Monex USA, a trusted and leading provider of corporate FX, currency risk hedging services, and international payments. Financial institutions referred by NEACH Payments Group and onboarded by Monex USA will be able to instruct the processing of payments and FX transactions for the benefit of their end customers through Monex USA's robust platform.

*"We're excited to partner with Monex USA to deliver even greater value to the organizations we serve. Our clients count on us to help them stay compliant, manage risk, and strengthen their payments programs—and now, with Monex USA's cross-border payment and FX expertise, we can further enhance how we support their operational and strategic goals. This collaboration brings together two teams deeply committed to empowering financial institutions, businesses, and third-party providers with the solutions they need to thrive in an increasingly global marketplace."* - Sean Carter, President & CEO, NEACH Payments Group.

*"Monex gives financial institutions, businesses, and other providers the capability to control their clients' payment experience, while benefiting from Monex's industry expertise, guidance, and back-office operational support. Monex is able to assist NEACH Payments Group's clients in going to market quickly with a fully transparent, cost-effective, and efficient cross-border payment solution. We are excited about this partnership and the benefits that we can extend to NEACH Payments Group's clients."* - Mike Rockouski, Managing Director of Financial Institutions, Monex USA.
